THEREFORE, WE PRESENT THE

SAN MIGUEL SCHOOL SAN DIEGO, CA.

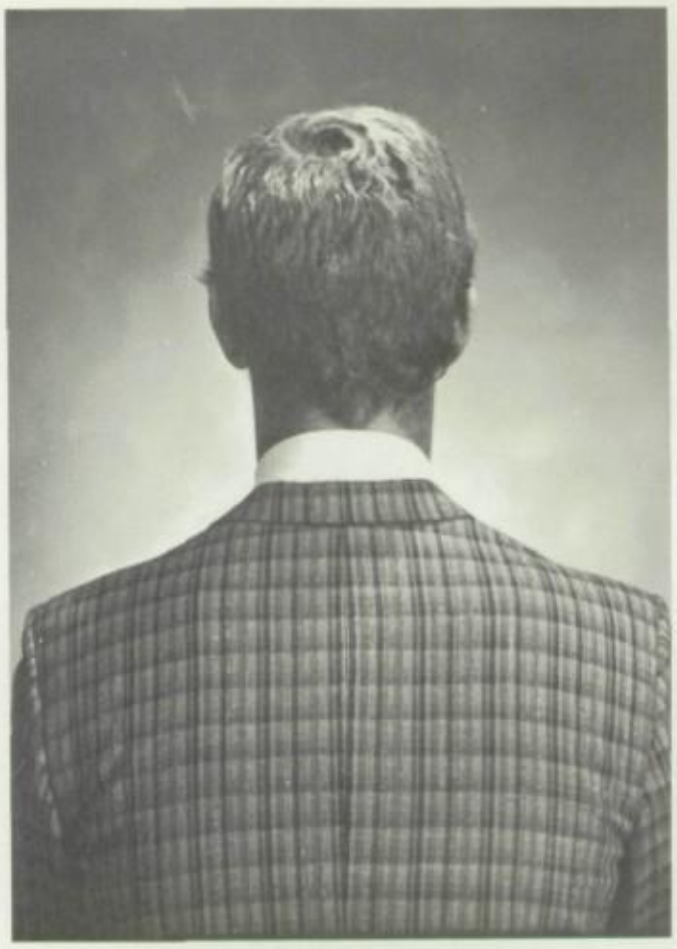
THE DEDICATION



The choice was ours for the first time in two years, so we decided to dedicate this annual to Day Power in return for the many hours of hard work he gave to make his classes more interesting. (Of course, we are forgetting the many weeks we spent awaiting the return of our tests.)

Mr. Power has shown us that a teacher does not have to be a superior, but that he can be a warm-hearted, understanding person who is willing to help us learn. (As long as we keep the discussion on the subject of English once in awhile, that is.)

As a result of his work at San Miguel for the past two years, Mel has gained the highest possible respect from the students of San Miguel and, most of all, from the Class of 1971. For these reasons, the staff of the 1971 Sword and Shield is proud to dedicate this yearbook to James D. Power. Fiddle-dee-dee!

True-blue and all that rot,

But easily excited.

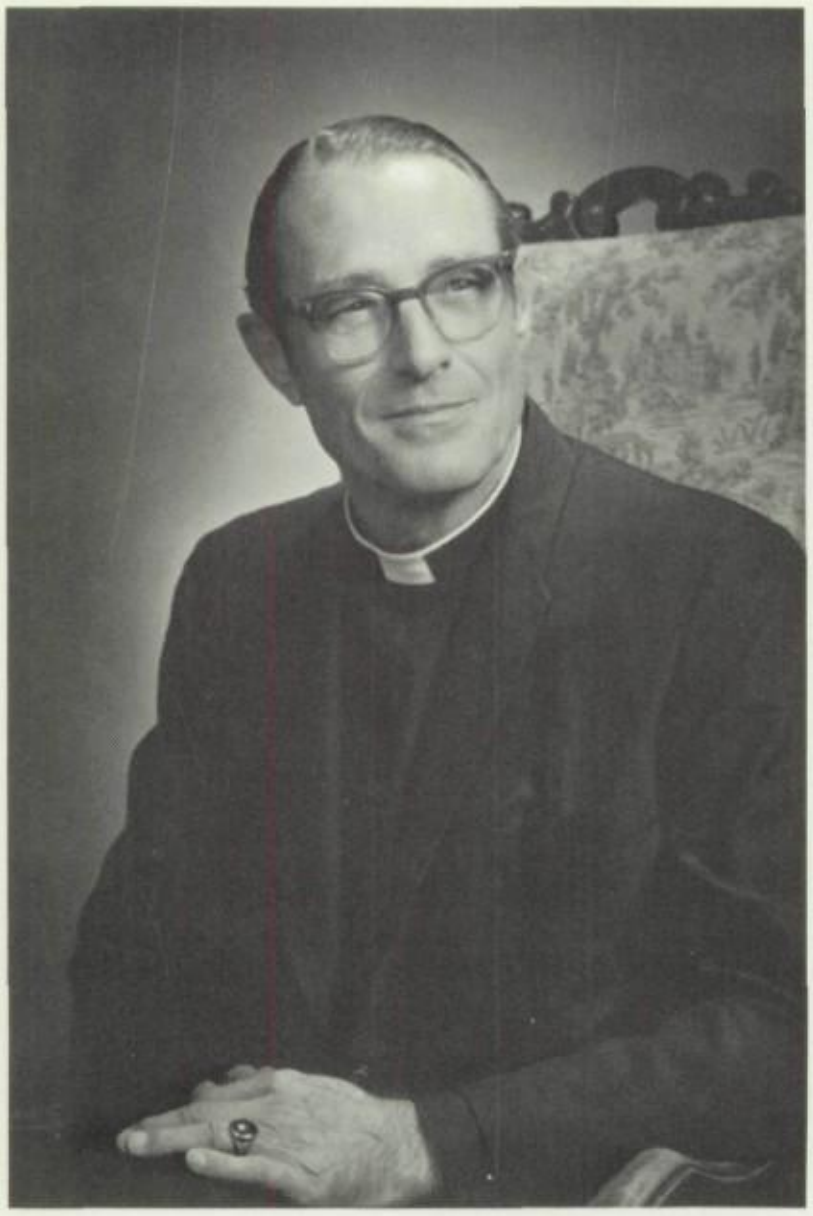
Finally, Mel Powers for keeping the Annual's financial account, watching the bases, and keeping score as we progressed.

The Annual Staff



The Reverend
Charles A. Parmiter, Jr.

"The more thou knowest, and the better thou understandest, the more strictly shalt thou be judged, unless thy life be also the more holy."

These words by Thomas a Kempis need to be blazoned on our hearts. Too often we think of knowledge as the aim and yet knowledge is only the means to the end: the fullness and the fineness of human life. Understanding is vital but if it is not an understanding of man as the Child of God, it is inadequate.

There are only really two choices for any of us. Either this is God's world or it is not. If there is no God and he did not create the world, we are subject to impersonal force and we are the most desperate of all beings. Or God did make the world and sustains it and we had better find out his will before we ruin everything.

The time is short for all of us. Ecological disregard, conflict and violence are so endangering our future that their solution is imperative. We must learn to live in God's world and to be citizens of his kingdom if we are to survive. God help us to turn to Him and to live.

STUDENT COUNCIL

Front Row: Rick Bear, Scott Womack, Bob Burnier, Bruce Rockwell, Rex Hydorn, Ton Baron. Back Row: Devon Osborne, Senior Prefect Bob Morris, Prefect Tim Rutherford, and Dave Tatman. Not shown: Prefect Andy Firestone and Dave Brechlin.

The projects undertaken by the Student Council this year were the furthering of relations with The Bishop's School and the promotion of harmony between the students and the administration. Some progress was made in both of these endeavors, but the slow processes of democracy tended to make the best efforts seem slight. Besides this form of deceleration, there was the ever present student apathy which sometimes filtered into the Council itself.

Bob Morris, the Senior Prefect, along with the rest of the Council, wishes to express a concern to next year's Student Council that they remain always aware of the fact that San Miguel's purpose is to educate the students in more ways the erudition. For this reason, it is important that the Councils of the future consider their work on a long-term basis rather than a year-to-year proposition.

ATHLETICS

FOOTBALL

Kneeling: Scott Single, Tim West, Scott Womack, Webster Jackson, Brad Pierose, Bob Burnier, Jon Epsten, and Marc Sager. Standing: Hank Johnson, Hubbard Howe, Mike Kimmy, Art Johnson, Craig Roalf, Luciano Geraldo, Rex Hydorn, Tony Baron, Rick Bear, Andy Firestone, Coach Crank, Paul Jarrett, Fred VanEtten, and Mgr. Andy McKean.

It was another rebuilding year for San Miguel. Considering the loss of ten Seniors to graduation and injuries to Fred VanEtten, Paul Jarrett, and J.R. Becker, the team did surprisingly well. Their over-all record was 3-5 and the team's league record was 2-2, earning the Knights a third place finish. The two league wins were an exciting 8-6 thriller against Country Day and a 12-6 victorious Homecoming game over Francis Parker. The margin of victory against L.J.C.D. came on a strange but successful extra-point attempt when VanEtten, as quarterback, threw to Baron who then threw to Art Johnson for the point. The success against Parker came on the touchdown runs by Baron and Johnson. The rest of the scores speak for themselves.

With All-League Quarterback, Art Johnson; All-League Lineman; Rex Hydorn returning, and the loss of only three seniors including All-League Lineman, Marc Sager, the Knights should be ready to make their move next season.

BASKETBALL

Coach Crank, Tony Baron, Mike White, Steve Beary, Tom Bartow, Dirk Allen, Art Johnson, Dave Brechlin, Dave Tatman.

What started out as a promising season for the Knights, ended poorly due to a lack of heighth and injuries. Our over-all record was 8-11, but the league record was 3-7. Most of our losses close as we lost by 8 points or less in three games.

The season was highlighted by a 56-52 win over Julian, a well played game that S.M. lost to Ramona, and a triple over-time victory against L.J.C.D. In the game against Julian, the team shot well and unveiled the successful box-in-one defense. The Ramona game was an unfortunate loss mostly due to our major handicap, lack of heighth. In the last four seconds of the game, in the third over-time, Tony Baron sank a jump shot that gave S.M. a 74-72 win over Country Day.

The team was led by Mike White, the League's leading scorer with a 19 point average. Our few rebounds came from Dave Tatman (team captain) and Art Johnson. Due to their efforts, White made the All-League team, Baron was picked for the All-League Second team, and Tatman received Honorable Mention.

SOCCER

Kneeling: Scott Womack, Craig Sweeney, Tim Rutherford, Gerald Toliver, Dave Ingham, Warren Coleman. Standing: Coach Manneh, Craig Roalf, Jon Epsten, Rex Hydorn, Peter vonStroheim, Andy Firestone, Devon Osborne, Luciano Geraldo.

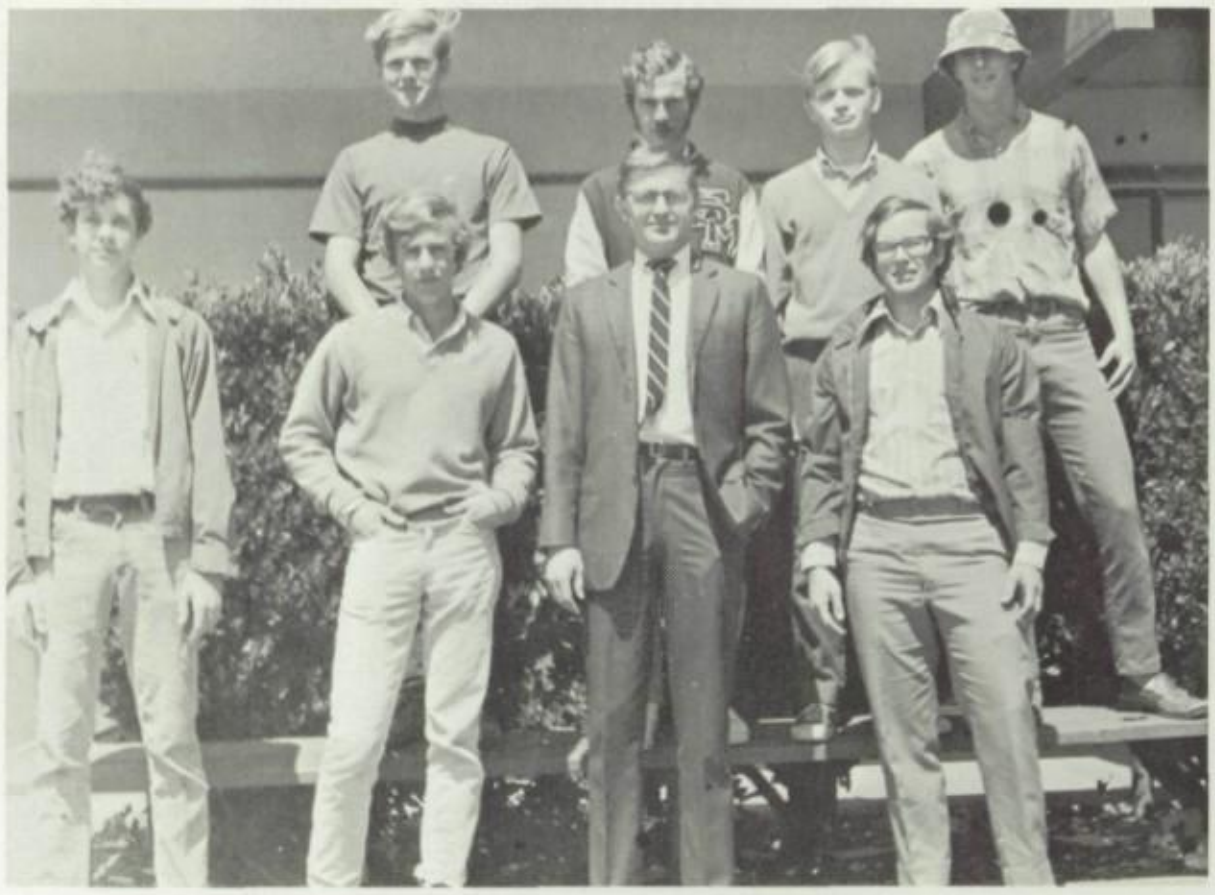
The team this year had great hopes of accomplishing the same feat as last year's team by holding on to the first place position in League. However, they found themselves held back by inexperience. Thanks to the return of Tim Rutherford (Goalie), Andy Firestone (Halfback), Gerry Toliver (Foreward), and Peter vonStroheim (Fullback), the team had a token amount of experience to fall back on. The rest of the time it was the enjoyment of athletic competition and excellent coaching that led the team to a second place standing in the League.

The team elected Halfback Andy Firestone as the Most Valuable Player, and ForeWard Gerry Toliver as the Most Inspirational. Partly because of the unbelievable goal he scored off his head against Army-Navy, the team selected Warren Coleman as the Most Improved Player. Rutherford, Firestone, Toliver, and vonStroheim received recognition for their talents again when they were selected as All-League players in their respective positions. San Miguel Supremacy was further established by these four out of eleven possible positions as All-League, and three out of eleven positions as Honorable Mention all taken by San Miguel players.

Hopefully, this year of Soccer is but a prelude to better things to come next year in the perennial battle for first place in the Southern Prep League and possibly C.I.F.

TENNIS

As of this publication, it is too early to tell what the team will do. Though we haven't quite reached the level of Country Day and Francis Parker, the team led by Bob Burnier and Warren Coleman should finish respectably.



Front Row: Mike White, Bob Burnier, Coach Lawson, Devon Osborne. Back Row: Tom King, Warren Coleman, Jay Hilton, and Dave Tatman (WIA).

GOLF

The golf team like the tennis team is just starting their season, but the prospects look good. In a match against Borrego Springs, everyone on the team defeated their opponent. The team is led this year by Andy Firestone and Gary Schafer.

Front Row: Rex Hydorn, Paul Jarrett, Bruce Rockwell, Tom Bartow, Coach Abayachi. Back Row: Andy Firestone, Craig Roalf, Gerald Toliver, Gary Schafer, Steve Beary.

CROSS COUNTRY

Led by Tatman's fabulous fifth place finishes, S.M. again went absolutely nowhere. Though some meets were close, the Knights never blew their cool and lost all of them. While fifth was always Tatman's, seventh place and up were fought for by White, Beary, and vonStroheim.

Coach Sutherland, Warren Coleman, Steve Beary, Mike White, Peter vonStroheim, Dave Ingham, David Tatman, Warren Fletcher, Dirk Allen, Richard Lowell.

TRACK

With the excellent running of Webster Jackson, Andy Firestone, Steve Beary, and the shot putting of Tom Bartow, to mention a few; this year's team is looking for a good season under the coaching of Commander Sutherland. There is an added hope in the new blood brought into the team with the addition of several potentially good track and field participants.

Front Row: Coach Sutherland, Rick Bear, Art Johnson, Webster Jackson, Rex Hydorn, Richard Lowell, Fred VanEtten. Back Row: Mike White, Tim West, Tom Bartow, Warren Coleman, Fan Club, Steve Beary. Not shown: Andy Firestone.

Come one, let me see the "Playboy."

I'll take 10-1 odds on San Miguel.

You can't call a foul on White, the game hasn't started yet!

Can I get some help over here?

This is the strangest Cross-Country course I've ever run.

"The power of ideals is incalculable. We see no power in a drop of water. But let it get into a crack in the rock and be turned to ice, and it splits the rock; turned into steam, it drives the most powerful engines."
